verse 1:

Long shadows on my wall  
Didn't think I'd make it far  
Wish I saw you standing there  
But it was just land and the air

I feel so near  
Get my head out of here  
Your voice rang out from the phone  
Telling me I'm not alone

Telling me I'm not alone

chorus:

Cause, it's a sunny day  
But all I want to do is  
Die and fade away

The journey's twisted  
And I've missed it  
The point of going home

(repeat)

verse 2:

Waves crashing down on me  
Crushing numb is all I see  
Feeling like I've given up  
All I'd take is just one touch

I'm almost drowning  
Can't seem to breathe  
Your voice rang out from the phone  
Telling me I'm not alone

Telling me I'm not alone

chorus:

Cause, it's a sunny day  
But all I want to do is  
Die and fade away

The journey's twisted  
And I've missed it  
The point of going home

(repeat)
