You've been around for all my life  
Lived down the block since we were five  
And i never thought we would of start this magic  
What Should, What should we do  
I see te light shine in your eyes  
Everyone knows were living a lie  
And i know you boy,  
So stop acting coy,  
i get it

CORO:

So baby jump, to my arms in my heart, Never to part  
Jump, take a chance, live romance  
Come out the dark Jump, Jump  
We should Jump, Jump.. Jump into love

Now come on boy please speek your mind  
I think if you do the you will find  
I feel the same Stop playing games  
Don't Regret It!!  
What should we, what should we do  
I see the light shine in your eyes  
Everyone knows were living a lie  
And i know you boy, So stop acting coy  
I get It

CORO:

So baby jump, to my arms in my heart, Never to part  
Jump, take a chance, live romance  
Come out the dark Jump, Jump  
We should Jump, Jump.. Jump into love

Oh oh, Jump into love  
Oh, oh Jump, Jump  
We should Jump, Jump.. Jump into love

So baby jump, to my arms in my heart, Never to part  
Jump, take a chance, live romance  
Come out the dark Jump, Jump  
We should Jump, Jump.. Jump into love

Oh oh, Jump into love  
Oh, oh Jump, Jump  
We should Jump, Jump.. Jump into love
