[Intro: 2Pac] I luv L.A... No doubt... to live and die in L.A.
California -- what you say about Los Angeles Still the
only place for me that never rains in the sun and
everybody got love [Verse One: 2Pac] To live and die in
L.A., where everyday we try to fatten our pockets Us
niggaz hustle for the cash so it's hard to knock it
Everybody got they own thang, currency chasin
Worldwide through the hard times, warrior faces Shed
tears as we bury niggaz close to heart What was a
friend now a ghost in the dark, cold hearted bout it
Nigga got smoked by a fiend, tryin to floss on him
Blind to a broken man's dream, a hard lesson Court
cases keep me guessin, plea bargain ain't an option
now, so I'm stressin, cost me more to be free than a life
in the pen Makin money off of cuss words, writin again
Learn how to think ahead, so I fight with my pen Late
night down Sunset likin the scene What's the worst they
could do to a nigga got me lost in hell To live and die in
L.A. on bail, my angel sing [Chorus: Val Young] + (2Pac
over chorus) To live and die in L.A., it's the place to be
(Let my angel sing) You've got to be there to know it,
what everybody wanna see (To live and die in L.A.) To
live and die in L.A., it's the place to be (Let my angel
sing) You've got to be there to know it, what everybody
wanna see (Love, hehe) [Verse Two: 2Pac] It's the, City
of Angels and constant danger South Central L.A., can't
get no stranger Full of drama like a soap opera, on the
curb Watchin the ghetto bird helicopters, I observe So
many niggaz gettin three strikes, tossed in jail I swear
the pen the right across from hell, I can't cry Cause it's
on now, I'm just a nigga on his own now Livin life Thug
style, so I can't smile Writin to my peoples when they
ask for pictures Thinkin Cali just fun and bitches,
hahaha Better learn about the dress code, B's and C's
All them other niggaz copycats, these is G's I love Cali
like I love woman Cause every nigga in L.A. got a little
bit of Thug in him We might fight amongst each other,
but I promise you this We'll burn this bitch down, get us
pissed To live and die in L.A. [Chorus: Val Young] +
(2Pac over chorus) To live and die in L.A., it's the place
to be (Let my angel sing) You've got to be there to know

it, what everybody wanna see (Let my angel sing) To
live and die in L.A., it's the place to be (To live and die
in L.A.) You've got to be there to know it, what
everybody wanna see (Let my angel sing) [Verse
