A dream is a wish...

Yeah, Yeah...

A dream is a wish your heart makes
When you're fast asleep
In dreams you will lose your heartaches
Whatever you wish for you keep, ha
Have faith in your dreams and someday
Your rainbow will come smiling through
No matter how your heart is grieving, If you keep on
believing
The dream that you wish will come true

Hey yea (girl yea) hey yeah
Hey yea yea yea hey yea

A dream is a wish your heart makes
When you're feeling small (feeling small)
Alone in the night you whisper
Thinkin' no one can hear you at all (no one can hear you
at all)
You wake with the morning sunlight
To find fortune that is smiling on you (smiling on you)
Dont let your heart be filled with sorrow, for all you
know tomorrow
The dream that you wish will come true

Hey yea yea yea hey yea
A dream is a wish
Hey yea yea yea hey yea

When you can dream, then you can start (then you can
start)
A dream is a wish your make with your heart (make with
your heart)
When you can dream, then you can start (a dream is a
wish)
A dream is a wish your make with your heart

A dream is a wish your heart makes

When you're fast asleep (when you're fast asleep)
In dreams you will lose your heartaches
Whatever you wish for you keep
You wake with the morning sunlight
You find fortune that is smiling on you (fortune that is
smiling on you)
Don't let your heart be filled be sorrow, for all you know
tomorrow
The dream that you wish will come true
No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true

Yeah, yeah
(yeah yeah yeah yeah yeah yeah)
A dream is a wish...
Now you can dream, then you can start
A dream is a wish you make with your heart (a dream is
a wish)
Now you can dream, then you can start (a dream is a
wish)
A dream is a wish you make with your heart (make with
your heart)
Now you can dream (whoa), then you can start
A dream is a wish you make with your heart (yeah,
yeah)
Now you can dream, then you can start
A dream is a wish you make with your heart
A dream is a wish...
Now you can dream, then you can start
A dream is a wish you make with your heart (a dream is
a wish)
Now you can dream, then you can start
A dream is a wish you make with your heart (yeah yeah
