Everyday it's getting worse
Do the same things and it hurts
I don't know if I should cry
All I know is that I'm try-in'
I wanna believe in you
I wanna believe in you
(Whisper)But you make it so hard to do

What's the point of makin' plans
You break all the ones we had
I don't know where we went wrong
'Cause we used to be so strong
I wanna believe in you
I wanna believe in you
So why can't you be
Be good to me

I don't ask for much
All I want is love
Someone to see
That's all I need
Somebody to be
Somebody to be
Somebody to be good to me good to me can you be
Good to me
Good to me
Please

I used to think I had it all
Then one day we hit a wall
I had hoped you were the one
Where's my dream, where has it gone?
I wanted to be with you
Forever just me and you

So why can't you be
Be good to me

I don't ask for much
All I want is love

Someone to see
That's all I need
Somebody to be
Somebody to be
Somebody to be
Good to me
Good to me
Can you be good to me
Good to me please

Where do I go from here
You've got it under my skin
And I don't know how
To get out of this place that I'm in

I don't ask for much
All I want is love
Someone to see
That's all I need
Somebody to be
Somebody to be
Somebody to be
Good to me
Good to me
Can you be good to me
Good to me please

I don't ask for much
All I want is love
Someone to see
That's all I need
Somebody to be
Some one to be
Somebody to be
Good to me
Good to me
Can you be good to me
Good to me
Please
