Haaah

Boy walkin' the spot he's so freshin  
He got what he needs to impressin'  
Just look at the way that he dressin'  
Ain't no question, chicks like "ohh"

Girl walkin' the spot she stop traffic  
She's blowin your mind with her acid  
So Jessica Alba fantastic  
Instant classic, boys like "oooh"

[Chorus]

Maybe I can see us movin' like that,  
Maybe I can see us touchin' like that  
Baby I can see us kissin like that,  
We don't need no more than "he said, she said-"  
Maybe I can see us movin' like that,  
Maybe I can see us touchin' like that  
Baby I can see us kissin' like that,  
We don't need no more than "he said, she said-"

He said, "girl u winnin"  
She said, "boy where u been at?" (where u been)  
"Stop talkin, let's get with it"  
Just like that, they-  
He said, "you're amazing"  
She said "then why you waiting, no more deliberatin',  
whatcha doin, lets get to it"  
Just like that, they-

Boy actin as if there's no pressure,  
He do anything to get with her  
He say anything to convince her  
Money spent, two diamond sent her,  
Girl playin it cool but she's with it  
She's lovin the fact that she's gifted  
Everything that he do she gets lifted  
Feel so wicked, lovin' like oh

Maybe I can see us movin' like that (like that)

Maybe I can see us touchin' like that (like that)  
Baby I can see us kissin' like that,  
We don't need more than "he said, she said-"  
Maybe I can see us movin' like that,  
Maybe I can see us touchin' like that  
Baby I can see us kissin' like that,  
We don't need no more than "he said, she said-"

He said, "girl u winnin"  
She said, "boy where u been at? (where u been) Stop  
talkin, let's get with it"  
Just like that, they-  
He said, "you're amazing"  
She said "then why you waiting, no more deliberatin',  
whatcha doin, lets get to it"  
Just like that, they-

One night with you,  
Boy just one night with you,  
All the things we could do  
Every day I think of  
One night with you,  
No one else but us two  
All our dreams would come true  
If we'd just get together

Maybe I can see us movin' like that,  
Maybe I can see us touchin' like that  
Baby I can see us kiss like that,  
We don't need no more than "he said-, she said-"  
Maybe I can see us movin' like that,  
Maybe I can see us touchin' like that  
Baby I can see us kissin' like that,  
We don't need no more than "he said-, she said-"

(Uh)  
Watcha waitin' for?

He said, "girl u winnin"  
She said, "but where u been at?" (where u been)  
"Stop talkin, let's get with it"  
Just like that, they-  
He said, "you're amazing"  
She said "then why you waiting, no more deliberatin',  
whatcha doin, lets get to it"  
Just like that, they-

Give it to me, Baby

You're gonna like it (ooh)  
You're gonna want it (ooh)

You're gonna like it  
We don't need more than "He said, she said-"  
You're gonna like it, (yeah)  
You're gonna want it (you're gonna want it yeah)  
You're gonna like it,  
We don't need no more than "He said, She said!"
