I see you from a distance, on the prowl  
Keep it up, it's only gonna let you down  
Come right over here, have a look around  
There's not a lotta diamonds in this crowd

You're up to something that's panical, just let me know  
Gotta get it while it's available, it's logical

Better get on it, show that you want it  
If you keep runnin', it'll be gone

If you're lookin' for somebody to switch it like that  
I'm that, I'm that

If you're looking for somebody to keep you on track  
I'm that, I'm that

If you're looking for somebody to answer right back  
I'm that, I'm that

'Cause you don't have to keep on lookin' no more  
'Cause I'm back (I'm back), I'm back

Give me half a chance, I'll make you shine  
I'm more like a dove, way passed the dime  
Truth is you need this in your life  
Anything but me is just wasting time (Uh huh, uh huh)

Got what you need if it's physical, irresistible  
Wanna make this night unforgettable, incredible

Better get on it, show that you want it  
If you keep runnin', it'll be gone

If you're lookin' for somebody to switch it like that  
I'm that, I'm that

If you're looking for somebody to keep you on track  
I'm that, I'm that

If you're looking for somebody to answer right back

I'm that, I'm that

'Cause you don't have to keep on lookin' no more  
'Cause I'm back, I'm back

If you're looking for somebody who cuts her own  
checks  
Well I'm that, I'm that

If you're looking for somebody who gets her respect  
Well I'm that, I'm that

If you're looking for somebody who don't take no shh  
Well I'm that, I'm that

'Cause you don't have to keep on lookin' no more  
'Cause I'm back, I'm back

Go on pretending, I'm not what you're missing  
Go on, be happy, you'll never know (Never know)

Not gonna stress just to get your attention  
Not gonna beg you to get up close  
(Baby, don't)

If you're lookin' for somebody to switch it like that  
I'm that, I'm that

If you're looking for somebody to keep you on track  
I'm that, I'm that

If you're looking for somebody to answer right back  
I'm that, I'm that

'Cause you don't have to keep on lookin' no more  
'Cause I'm back, I'm back

If you're looking for somebody who cuts her own  
checks  
Well I'm that, I'm that

If you're looking for somebody who gets her respect  
Well I'm that, I'm that

If you're looking for somebody who don't take no shh  
Well I'm that, I'm that

'Cause you don't have to keep on lookin' no more  
It's like that, I'm back
