We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

You said oh girl, it's a cold world, when you keep it all
to yourself
I said you can't hide, on the inside, all the pain you've
ever felt
Ransom my heart baby don't look back, cause we got
nobody else

We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

You know that sometimes, it feels like, it's all moving
way to fast
Use every alibi, and words you deny, that love ain't
meant to last
You can cry tough baby, it's all right
You can let me down easy but not tonight

We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

Another hand of time is standing still
Midnight angel won't you say you will

We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

We're running with the shadows of the night
So baby take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

[Fading]

We're running with the shadows of the night
So baby take my hand it'll be all right
