I've got a feeling inside of me  
Running off to my veins  
It's like electrical energy  
A world's about to change  
It's an open road  
So here I go

Chorus:  
The rest of my life  
Is starting tonight  
Feels like I'm fin'ly on my way  
I'm looking ahead  
Can't tell where it ends  
But I'm gonna take a leap of faith  
And I'm gonna hold on tight  
And right is right  
The rest of my life

I'm gonna go for it all aloud  
I know there's no guarantee  
But I've been given a chance and now  
What's next is up to me  
I'm gonna save my sights  
So light those lights

Repeat Chorus

If all the world's a stage  
I'm here to take my place  
I know I'll always find a way to shine

The rest of my life  
Is starting tonight  
Feels like I'm fin'ly on my way  
I'm looking ahead  
Can't tell where it ends  
But I'm gonna take a leap of faith

The rest of my life  
Is starting tonight  
Feels like I'm fin'ly on my way

It starts with a dream  
Of who I can be  
Wherever it takes me I can wait  
So I'm gonna hold on tight  
And right is right  
The rest of my life  
The rest of my life  
The rest of my life
