I stop but my rims keep spinning, 26's on my '96  
Taurus  
Call my digits but you'll get my voicemail, hoes by my  
side so I'm not available  
Smoking on crack and rollin on dubs, rollin 26's you  
know they ain't hubs  
I'm a pimp so what can I say, fuckin them bitches like  
everyday  
Whipped it out and slapped it on her face, Trojan  
magnums hmm how dat taste  
Triple x jersey gotta keep it baggy, Air Force One's  
vintage 1980  
Lil John yeh he's my boy, now your fuckin with The Real  
McCoy  
I like it rough, you better watch your back side, get on  
top just bounce and lets ride

I like big booty bitches, I like big booty hoes  
We like big booty bitches, we like big booty hoes

Now I'm creepin when your sleeping through your back  
yard,  
Gonna kick in your window and steal your car, and if  
you wanna try and stop me  
I'll come in your house and kick your ass and take the  
t.v. and I'll jump back, in yo 6-4  
Turn up the bass and push the pedal to the floor, and  
now I cruising down the street  
Lookin for some hoes and some girls to meet, so you  
betta  
Get back inside cuz I'm coming to your house to take  
your girl for a ride  
Now were sittin, at Popeye's Chicken I'm starin at her  
tits and she knows what I'm thinking, then I'll bring her  
back to my house, flip up her skirt and then I'll tear off  
her blouse, and then I'll fuck her all night long smack  
that ass while I write this song

I like big booty bitches, I like big booty hoes  
We like big booty bitches, we like big booty hoes

The Olsen twins, Jessica Simpson and Paris Hilton,

bring em to my house and have em drop their drawers  
bend em down quick and fuck em like whores, have em  
screaming that I'm their edaddy rollin down the street  
in that black white Caddy with the white walls on the  
wheels, Lexus tv screens and platinum grills
