This january rain, takes away my pain, the subtle things
that tear my body will always be the same, this city it
kills me, i've lost all hope and dignity and the only thing
that keeps me going is dreaming that i can be,
anything i want, give all that i've got to be the person
that i am the side i almost lost,

and when i woke up and saw the sunshine the tears
streamed from my eyes it was all just a dream, it was
all just a dream, and its clear to see, that theres
nothing left for me, that theres nothing left for me
here.

im swallowing my pride, this fear thats left inside, its
convincing but im not convinced i have nothing to hide,
im lying to myself keep asking the same questions, but
questions without answers lead to nothing but
exceptions.

and when i woke up and saw the sunshine the tears
streamed from my eyes it was all just a dream, it was
all just a dream, and its clear to see, that theres
nothing left for me, that theres nothing left for me
here.

no more broken promises, the tears that fell they wont
be missed,

and i told myself the worst is over now
