Today we're breaking up tonight we're making love our
hands our shaking now

Today your nothing lost tonight you're all I've got I've
missed you more

But you stay away because you hear I'm bad

But you stay away because you hear I'm sad

I've got something I just need to tell you

Today I walk alone tonight I'll walk you home our hands
are tied

Today I'm one lost soul tonight are souls are whole
makes perfect sense

But I stay away because I hear you're bad

But I stay away because I hear you're sad

Let's make this work
