assup boo? Yeah  
Hahahaha Yeah

[2Pac]

Another shady mission, tricks, like watchin pictures in  
hazy vision

Tonight is love makin, take you any place you wish

Today we satisfied, and today we stole them kisses

Blind insanity, perfect pictures of me and my family

Not understanding it definitely, if they plan for me

If I have kids, will I live to see them grow?

Though I don't know, I live the life of a thug nigga

Until the day I go, no broken promises

A sacred bond broken, I know I die alone

But yet and still I'm hopin

Visions of prisons, maybe I'll be forgiven

I know it's better in heaven 'cause bein here ain't livin

Close my eyes and see nothing but pain, the world is  
crazy, still

Lookin for a queen to plant seeds and have babies

Maybe I'll be the one or just maybe I'm lost

You'll never know being cautious, if you playa cardz  
right

[Chorus: Keyshia Cole]

I wanna be the one who, who you can depend on who

Who be the one who be there

Through the thick and thin

Go by the water we will, be there till the morning

We won't leave until the night and we will

Be forever more

[Keyshia Cole]

No one else can do what you do for me

Take me away from the pain I feel inside

And it's gonna be alright and it'll be ok

If we try and take our time, yes baby, take our time

And we'll grow, trust I know

I wanna be the one whoooo

[Chorus]

[Pac talking] (Keyshia ad-libs)  
You got to playa cardz right on one (Ooooh yeah)  
Can't be rushing like it's a race 'nahmsayin? (No, no,  
no)  
If you be patient, and you take your time (Be patient  
baby)  
And you finess it, 9 times out of 10 times (10)  
Homeboy you gon' wake up with your breakfast in bed  
But if you rush (Heyy) and you just be manhandlin,  
haha, (It takes a real man)  
Yo ass is goin home tonight Haha (Heyy)  
Playa cardz right nigga, take ya time. (Be the one) Be  
patient  
(Be the one heeeyy) Go slow, it's better that way  
You ain't heard? (Yeah) Haha  
Playa cardz right  
(Be the one, I wanna be the one)

[Chorus]

[Pac talking] (Keyshia ad-libs)  
Take ya time man (Take ya time)  
Don't be in such a rush (In a rush) Haha (Be forever  
more)  
You got to be patient man, be patient  
It ain't goin nowhere one haha (Nowhere)  
Get some champagne (Haha, be forever more)  
Bring some roses or somethin, you know  
Play some soft shit  
Light a fire (Luther Vandross)  
You got to be cool with it (Teddy, Teddy)  
You got to be slow with it (Ooooh be so)  
You got to be patient, you got to playa cardz right on  
one  
Can't be rushing like it's a race 'nahmsayin  
If you be patient, and you take you time and you  
finesse it..
