

A Better Half "Asking You"

It's hard to ask,
Even though I know you're gonna say yes.
So why don't I ask?
What am I scared of, there couldn't be less
For me to fear,
Wish you were here,
I like you so much it hurts.
No time to waste,
I feel disgraced
That I can't find the right words.

I want to ask you out right now.
I want to but I don't know how.
'Cause it's hard knowing how easy
Asking you will be, when I'm completely
Crazy about you.

We'll never part,
If we ever get together at all.
Each time I start
To tell you how I feel, I stumble and fall.
When it's all done,
You'll be the one
I swear I'll always be true.
Alone at last
That's when I'll ask,
It has to be perfect for you.

I want to ask you out right now.
I want to but I don't know how.
'Cause it's hard knowing how easy
Asking you will be, when I'm completely
Crazy about you.

Why Procrastinate?
I'm just delaying something great.
I want to be with you,
Right beside you
Crazy about you.

I want to ask you out right now.
I want to but I don't know how.

'Cause it's hard knowing how easy
Asking you will be, when I'm completely
Crazy about you.
