Well I just wanted to say thanks for leading me on  
And thanks for giving me the inspiration for this song  
I can't believe I wasted precious time on a bitch like you  
I hope you're happy about all the shit you made me  
suffer through  
Call me bitter and I'll just admit it  
I'm holding a grudge and I won't quit it  
Cause I'm one vindictive son of a bitch  
And one of these days you'll get yours, Ain't life rich

You said you'd call me and you promised that we'd  
hang out the next day  
So I waited by the phone without luck much to my  
dismay  
Apparently by "we" you meant yourself and two other  
guys  
So first you humored me and then you filled my head  
with lies

Call me bitter and I'll just admit it  
I'm holding a grudge and I won't quit it  
Cause I'm one vindictive son of a bitch  
And one of these days you'll get yours, Ain't life rich

Well I just wanted to say thanks for leading me on  
And thanks for giving me the inspiration for this song  
I can't believe I wasted precious time on a bitch like you  
I hope you're happy about all the shit you made me  
suffer through

Call me bitter and I'll just admit it  
I'm holding a grudge and I won't quit it  
Cause I'm one vindictive son of a bitch  
And one of these days you'll get yours, Ain't life rich
