I hope that you love me  
'Cause I love you  
I don't know 'bout tomorrow  
But I hope I spend it with you

Don't need no money  
Don't need no castle  
All I need is to hold your hand  
No matter what happens  
No matter what people say  
I don't care by you I'm gon' stand

All that matters  
Is that you love me  
Everything else is just a waste

Un huh!

All that matters  
Is that you love me girl  
Everything else is just a waste... of time!

I will make you happy  
I swear I will  
Forever! Even if time goes away  
I'm gonna be here still!

Don't need no money  
Don't need no castle  
All I need is to hold your hand  
No matter what happens  
No matter what people say  
I don't care by you I'm gon' stand

All that matters  
Is that you love me  
Everything else is just a waste

Un huh!

All that matters

Is that you love me baby  
Everything else is just a waste... of my time!

Just like the birds love the bees  
Just like the flowers need the trees  
Oh! Just like the ocean feeds the sea...  
I love you!

La la la la la!  
La la la la la!  
La la la la la la!

Un huh!

All that matters  
Is that you love me  
Everything else is just a waste

Un huh!

All that matters  
Is that you love me girl  
Everything else is just a waste... waste... waste...  
Of my time!
