Girl I want your body  
We can do it on the ground  
Have you ever had a lover  
To respect you all around

Like the...  
King of Love  
I made you come  
The King of Love  
All night long

Baby did you feel it?  
I filled your body with delight  
I made you sweaty  
You're soakin' wet  
And regrets I haven't heard yet!

I'm the...  
King of Love  
I made you come  
The King of Love  
All night long

This is what it sounds like when you came baby!

Momma didn't I do you right?  
You got the King of Love in your arms  
And I'm stayin' tonight pretty baby!

You wanna wait til you're married  
But this fever's burnin' hot  
No other woman no other man  
In the world got what I got!

I'm the...  
King of Love  
I made you come  
The King of Love  
All night long

I don't mean to sound conceited but I can't help it baby!
