The universe is yo' soul  
Baby we gon' be together  
We gon' keep on dreamin'  
The universe is yo' soul

I do believe there's a God in the sky  
I do believe there's a love we can capture

If we fly!

The universe is yo' soul  
Baby we gon' be together  
We gon' keep on dreamin'  
The universe is yo' soul

I know that sometimes we crawl in our blindness  
Baby we gon' be together  
I know that sometimes we all fall down!

Then we fly!

The universe is yo' soul  
Baby we gon' be together  
We gon' keep on dreamin'  
The universe is yo' soul

I do believe that the world has a future  
Baby we gon' be together  
I do believe we can build it together

If we try!

The universe is yo' soul  
Baby we gon' be together  
We gon' keep on dreamin'  
The universe is yo' soul

We gon' keep on dreamin'!

The universe is yo' soul  
Baby we gon' be together

We gon' keep on dreamin'  
The universe is yo' soul

If we fly!

Forever!
