This round is for you my baby  
I want you to teach me your moves  
Round two is for us my lady  
Lets bring a new life to this world  
The third round is the confirmation  
We are doing it straight from our heart  
The fourth one uh hahaha!  
Lets prove we can still go on.  
The fifth one  
it's just a morning glory mnn

Glory halelluyah it feels so good  
To be right inside inside mnn

I knew this day will come  
I always wanted to see your paradise  
Atleast this time  
You are the one who's in control

I'm learning from your sexy sexy sexy moves  
Uhh huuuuuu  
It feels so good to be deep inside your paradise  
I like it when you say mmmmmnnnnn  
When I enter the gates of your world world  
Huuuu, hoooooo

This round is for you my baby (huuuu hoooo)  
Round two is for us my lady (hooo hooo)  
The third round hahaha  
The fourth one huu  
And the last one  
Morning glory glory glory mnnnnnnn huuuu hoooooo
