(What would you do)

What would you do  
to change the world  
to change yourself  
what would you do?

What would you give  
to end all the pain  
and end all the war  
and suffering?

If you could see (oh)  
everything  
would it make you think  
that we need to change?

So just open your eyes (open your eyes)  
you will see it aint right (it aint right)  
and just open your mind (open your mind)  
open your mind

Open your eyes, open your eyes  
you will feel it in your heart beat  
when you realize  
this world that we live in  
has so many lies

We just eat, sleep, go to work, told what to think, then  
die  
money, food, poverty, war and genocide  
you'll know it, you'll feel it  
when you open your eyes

(open your eyes) when you open your eyes  
(open your eyes) when you open your eyes

REPEAT VERSE 1

This earth we live on is so beautiful  
but why do we destroy it (destroy it all)

In a world where everything should be equal  
but why do we destroy it (destroy it all)

Na, na, na, na, na, na, na... (we are all equal)  
Na, na, na, na, na, na, na... (we are all equal)  
we are all Equal

Open your eyes - open your eyes  
Open your eyes - open your eyes  
Open your eyes - open your eyes  
Open your eyes - open your eyes  
Open your eyes
