I'll meet you in the city  
I'll pick you up at night  
I'll drive you through the suburbs  
I'll get you there in time  
I'll meet you in the city  
I'll stay clear of the light  
I'll get us through the check points  
Yeah I know we'll be alright

Oh Julian  
Once we get across the border  
Oh Julian  
I'll mend your heart  
Oh Julian  
Once we get across the border  
Oh Julian  
I'll mend your heart

And maybe we are sinners  
But love it ain't no crime  
I'll get you through the check points  
I'll drive us through the night  
You know I'll keep your secret  
I've locked it up inside  
As long as we are moving  
Yeah I know it'll be alright  
Yeah I know it'll be alright

Oh Julian  
Once we get across the border  
Oh Julian  
I'll mend your heart  
Oh Julian  
Once we get across the border  
Oh Julian  
I'll mend your heart

Oh Julian  
Oh Julian  
I'll mend your heart  
Oh Julian

Once we get across the border  
Oh Julian  
I'll mend your heart  
Oh Julian  
Oh Julian  
I'll mend your heart
