[50 Cent]

When you're breakin it down, keep breakin it down  
This is what it sounds like, when I'm breakin it down  
Yeah I'm breakin it down  
Man this is what it feels like, when I'm breakin it down  
When you're breakin it down, keep breakin it down  
It's not my fault c'mon, it's not my fault  
I'm hot man! It's not my fault c'mon, it's not my fault

'Til the sun comes up, every night (c'mon)  
We party and we party 'til daylight  
We be gettin it in, c'mon we gettin it in  
A lil' Hennessy, a lil' juice and Gin  
It's not a fantasy (nah) it's not pretend  
We gon' do it, we gon' do it, we gon' do it again  
'Til the sun comes up, every night  
We party and we party 'til daylight  
I shouldn't have to tell you shorty you should know  
I'm really really gettin into your freak show  
You give me a little baby then I'ma want mo'  
O.D.B. said it, "I like it raw!"  
Exotic erotic we're movin on the floor  
Enough to make a nigga lose control  
I'm down to go wherever you wan' go  
You got a man, I keep it on the low  
I do my thing you know I gets my dough  
I got a few stacks me and you could blow  
We headed to the hotel after the show  
I know how to romance you be my private dancer

[Chorus: 50 Cent]

On your mark, get set girl now here we go  
Racin off to see yo' peep show  
It turn me on to see you on the flo'  
When you're breakin it down, keep breakin it down  
Ready or not shorty now here I come  
Shake that thing girl now back it up  
Work it, work it girl you turn me on  
When you're breakin it down, keep breakin it down

[50 Cent]

They say I'm not the same it's cause I'm filthy maybe  
I'm off the chain, I don't play no games  
I'm hustlin hard homie I do my thang  
You fuck with the paper then watch the hammer go  
bang  
Now shorty I like the way she move them hips  
I'm tryin to get her in my bedroom and shit  
We could take a long time or get it done quick  
We can camcord this shit make a boom-boom flick  
It's oh so many places that we can go  
I really want you shorty, shorty now you should know  
Girl your body's callin me, hear you loud and clear  
We ain't got to leave now we can do it right here

[Chorus]

[50 Cent]

The way you move (the way you move)  
You make me lose (you make me lose)  
All control (all control)  
I know you know (I know you know)  
You're so seductive you make me wanna touch it  
I ain't got to tell you, you know I wanna fuck you  
I'm feelin your style, you better watch me now  
My tongue'll be in your mouth, my hands'll be in your  
blouse  
When you get me aroused you put a spell on me  
Man if I can't have you I'ma go crazy  
I want you bad now and if you want me  
Girl killin me now, or succumb to me now

[Eminem]

Come to me now, you don't come to now  
Apple in your mouth, tackled on the couch  
Shackled in the house, I'll be back in about  
20 minutes or less, with my Hannibal mask  
So when you wiggle around and giggle in that cage  
I knew I couldn't wait to get you off that stage  
From the moment I met you had to let you know  
I just wanted to get you through my bedroom door  
You makin me feel like I'm in middle school still  
You squeal like a little girl, you're pitiful, chill  
We gon' fuck, I just popped this little blue pill  
You can leave but wait, I gotta shit on you still  
{\*phbbt\*}  
I shouldn't have to say it shorty you should know  
I hope you really gettin into my creep show  
Let me shit on your chest and if some weed comes out  
Just guzzle it down, just guzzle it down

[Chorus]

[50 Cent]

It's not my fault c'mon, it's not my fault

I could break it down, it's not my fault c'mon, it's not my fault

Can you break it down? It's not my fault c'mon, it's not my fault

I can break it down, it's not my fault c'mon, it's not my fault

Can you break it down? It's not my fault c'mon
