You're a poacher and you're on my land.
You're a poacher and you're hitting on my girl.
I'm a gamekeeper and I do it for the thrill.
I'm a gamekeeper and I'm going in for the kill.

Got a gun at my side and that look in my eye

I'm gonna get myself a kill
Take your hands off her
She's not yours you see
Thought I told you leave
What you doing here
I'm a jealous type
I wouldn't cross me
I will make you so sorry
You be begging please
Got a gun at my side and that look in my eye
I'm coming out
I'm gonna get myself a kill
Baby what you doing here x 6
