And I don't believe in miracles.  
A light can only shine for so long  
Then it fades away  
And I'm failing inside  
And the shadows my eyes  
Find are blinding and breaking me.

And I don't believe in miracles  
A love can only fight for so long  
Then it fades away.  
Even love must expire  
And the hurt kills my eyes  
It is blinding and breaking me

And I never stop to smell the rose.  
The thorns can only sting for so long  
Then it fades away  
Even hurt has to die  
Just the blink of an eye  
And I know nothing gold can stay

And I never stop to smell the rose  
An ache by any other name  
Would still kill me the same  
I am darkening inside  
And this absence of light  
It is blinding and breaking me

And I'm fearing that we're on our own  
A heart can fight for so long then it tears away  
Leaving absence of doubt and a soul crying out  
That there must be a better way

And I'm looking for a miracle  
A life can only fail for so long then it must be saved  
A light shining so bright intervening divine  
Be it blinding
