And I sometimes,  
Fall victim to the  
Whirlwind of life  
Letting go  
Doesn't mean I'm letting go  
(I won't let go)  
And all respite  
May have seemed  
I'll conceived at the time  
Tragedy is what I'm fighting  
So I'm leaving  
(my heart will stay)  
Remember, if you ever  
Hear this on the radio  
I'm promising  
That if you ever need  
Me I'll be there

I promise you that I'll be there  
I'm promising

(fate sometimes smiles)  
And second chances  
Fall from the sky  
Snatching you  
From the jaws of "nothing"  
And beauty saves  
Muted hearts, silent dreams  
Reminding me when I  
Thought I lost it all  
My heart's bleeding  
(and promises)  
Made before  
Are calling to me  
And so I have to go  
But I'm promising  
That if you ever need me  
I'll be there

I promise you that I'll be there  
I'm promising
