Take the sunset and paint it with a darker shade of red
Or maybe something elegant to match the color of your
Blouse
So douse yourself in cheap perfume and lets sit alone
in
Your room with the lights turned down low
I know, I know,
Things aren't as perfect as they seem
What seems like artwork when it's over was just a
drunken
Masterpeice

A desperate attempt at something beautiful,

Well I had this down to a science baby but I failed at
Chemistry so lie to me, lie to me, and tell me this was
Perfect...
... you can joke about it aferwards
The one night you spent without words
You can joke about it with your friends
About the boy who only had his heart to spend
Well I gave it to you for collaterall
But then you broke it on the wall...
