Let the rain come down  
Fall down on me

I saw the leaves falling to the ground  
I saw the snow falling all around  
Stop and reflect on the time that we have left  
Is it a crossing when you stand in front of death

Let the rain  
Come down  
Fall down on me  
Let the rain  
Come down  
Fall down on me

Like tears  
Like tears

I saw the leaves falling to the ground  
Just like tears  
I saw the snow falling all around  
Just like tears

Let the rain  
come down  
Fall down on me  
Like tears  
Let the rain  
come down  
Fall down on me  
Like tears
