Time, you do, lead us astray  
Leading us almost everyday  
Are you a friend?  
Are you my keeper?  
Are you a relic?  
Are you a cheater?  
Can I deny you?  
Can I believe you?  
Can I deceive you?  
You're a deceiver  
You're a deceiver

Time, when you rush in  
From day one,  
Till the time that we're done  
We just run  
Trying to catch you  
With the present  
Without a chance  
Of any progress  
Any movements  
Any improvements  
Despite the effort  
You're late  
You're late  
You're late  
You're late

Time, goddamn no-good son of a gun  
Time, goddamn no-good son of a gun  
Time, goddamn no-good son of a gun  
Time  
1, 2,... , 30  
The speed of light  
The speed of sound  
Without any doubt  
Beats mankind  
You're going faster  
You think you do  
You think you will  
Well you won't  
Well you don't

You're so slow  
You're so slow  
You're so goddamn slow  
Time, goddamn no-good son of a gun  
Time, goddamn no-good son of a gun  
Time, goddamn no-good son of a gun

Time, goddamn no-good son of a gun  
Time, goddamn no-good son of a gun  
Time, goddamn no-good son of a gun
