Condemned!

Death will march upon this ground!

They search but your soul can't be found!

Ashes to ashes!

And death for us all!

Chorus

Yes you! I'm calling you out
I see what you've done and what you're capable of
And what you're willing to do to prove your views to me
And the rest of the world
I'm calling you out
I see through your lies

YOUR LIES!

Oh!

I curse your name!

Get out of my face!

Chorus

This is your judgment day!

Let me welcome you to your grave!

Oh please help me!

God!

I have fallen victim
To my selfish heart
Oh please bring me
Out of this blackened dark
