She was dressed up in leather  
and breathing her fire  
She was out on the floor  
taking everyone higher  
She said hey baby  
don't you know that I'm a dancer  
She said hey baby  
I'm the question to your answer  
Girls Like You  
I should Run  
but I never do  
Because the things you do  
Make me wanna run from you  
My feet shook  
and I couldn't think over the bass  
I thought boy I gotta get myself out of this place  
Chorus  
I should have run  
run  
run
