Aaron Lewis feat. Fred Durst

Outside

All the times that I felt insecure, yeah  
And I lift my burden out the door

I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you

All this time that I felt like this won't end  
Was for you  
And I taste what I could never have  
It's from you  
All those times that I tried, my intention, full of pride  
And I waste more time than anyone

But I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you

All the times that I've cried  
All this wasted, it's all inside  
And I feel, all this pain, stuffed it down  
It's back again  
And I lie here in bed, all alone, I can't mend  
And I feel tomorrow will be okay

But I know

That I'm on the outside

I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you
