Alone in a room,

It's just me and you.

I feel so lost, and I don't know what to do.

Now what if I choose,

The wrong thing to do.

I'm so afraid, afraid of disappointing you.

(chorus)

So I need to talk to you, and ask you for your guidance.

Especially today, when my world is so cloudy.

Guide me until I'm sure, I'll open up my heart.

My hopes and dreams,

Are fading fast.

I'm all burned out,

And I don't think my strength is gonna last.

So I'm crying out, crying out to you oooooohhhh

Lord I know that you're the only one, who is able to pull me through.

Repeat chrous

So show me how, to do things your way, don't wanna make the

same mistakes, over and over again.

You're will be done, and I'll be the one.

To be sure that it's carried out and in me I don't want  
any doubt

That's why I wanna talk to you yes I do, and ask you for  
your guidance.

Especially this day, when my life is so cloudy, Lord  
guide

me until I'm sure, I open up my heart
