When I Think About How You Saved My Soul  
I'm Compelled to Praise You  
Like a Woman Out of Control  
So I Lift Up Holy Hands  
I Take Advantage of This Chance to Say Thank You  
When I Think About What You Brought Me Through  
I'm Reminded to Praise You For All That You Had to Do  
So I Lift Up Holy Hands  
I Take Advantage of This Chance to Say Thank You  
So From the Bottom of My Heart I Say

Thank You, Thank You, Thank You

When I Think About Were You Brought Me From  
I Gotta Praise You Like the Victories Already Won  
And I Lift My Hands  
I Take Advantage of This Chance to Say Thank You  
When I Think About Oh Lord Yes  
Why You Love Me So  
I'm Compelled to Praise You Because  
I Really Don't Care Whose Looking and Who Knows That  
I Love You  
And I Lift Up My Holy Hands  
I Take Advantage of This Chance to Say Thank You  
Oh, Everyday of My Life I Just Wanna Say

Thank You, (Thank You Lord)  
Thank You, (I Gotta Thank You)  
Thank You, (Because of Who You Been to Me)  
Thank You, (You Been a Shealter in the Storm)  
Oh and I Thank You  
You Been a Rock That I Can Stand On Thank You Lord  
And I Say Thank You  
You Been a Bridge Over Any Kind of Water  
I Gotta Say Lord I Thank You  
With All My Heart With All My Soul  
Everything Within Me Says Thank You Lord  
Thank You Lord  
Lord I Thank You, Lord I Thank You, Lord I Thank You  
For All You Done to Me  
Thank You Lord

Theres no Words That I Can Say But You Been Good  
I Can't Thank You Enough no No no No No  
Thank You Lord (I Just Wanna Thank You)

I Wanna Thank, I Wanna Thank You  
I Gotta Thank You, Just Wanna Thank You  
I Thank You Yes, I Thank You Yes, I Thank You Yes, I  
Thank You Yes  
And I Say.....i Wanna Thank You  
Said Lord I Thank You Yes  
Thank You
