Unconditional, unconditional  
Unconditional, unconditional

Who else would let someone nail them to a cross  
For the sake of others so they would not be lost  
No one, No one, will go that far for us  
Who else would let someone get away with so much  
wrong  
But still extend them gret  
No one, No one, have so much love for us

The kind of love he shows is unconditional  
His love don't come and go it's unconditional

Who else but him  
He's a constant friend  
Even when others turn them backs against  
No one, No one is always there for us  
So what kind of love

So even when your closest friends and family give up  
on you  
Theres not a day when you can't depend on him
