Four eyes, two hearts, one look, one thought.  
I can feel my heart start beating, can you feel your  
heart start beating?  
Why are answers so hard to find? Am I such a guy for  
pastime?  
Or the one who's so hard to find?

So watch your steps, don't play with fire and cut before  
it is too late.  
So keep your tries, don't let me burn and cut before it is  
too late.

Woah, you need to die in the spotlight,  
Woah, and draw all eyes on you tonight.  
Woah, you need to die in the spotlight,  
Woah, and draw all eyes on you tonight.

You will never reach the finals unless my death is  
complete.  
I know you won't she'd a tear, Why can't you just keep  
your distance?  
You're getting closer again just to pretend you're  
winning.

And if I'm on fire, will you watch me burn or would you  
save me? (Say, would you save me?)  
Say, would you save me? (Say, would you save me?)  
Say, would you save me?

Woah, you need to die in the spotlight,  
Woah, and draw all eyes on you tonight.  
Oah, you need to die in the spotlight,  
Woah, and draw all eyes on you tonight.

Woah, you need to die in the spotlight.  
Woah, you need to die in the spotlight.  
Woah, you need to die in the spotlight.  
Woah, you need to...

**YOU NEED TO DIE IN THE SPOTLIGHT!**  
**YOU NEED TO DIE IN THE SPOTLIGHT!**  
And it tastes so bad I can't swallow,

And I'm up to break the chain again.  
And I won't regret not to follow, until your lungs have  
stopped breathing in.

Woah, you need to die in the spotlight,  
Woah, and draw all eyes on you tonight.  
Woah, you need to die in the spotlight,  
Woah, and draw all eyes on you tonight.  
The curtain falls with you tonight,  
The pointed eyes are blind tonight.
