Let me tell ya 'bout the birds and the bees

And the flowers and the trees

And the moon up above

And a thing called "Love"

Let me tell ya 'bout the stars in the sky

And a girl and a guy

And the way they could kiss

On a night like this

When I look into your big brown eyes

It's so very plain to see

That it's time you learned about the facts of life

Starting from A to Z

Let me tell ya 'bout the birds and the bees

And the flowers and the trees

And the moon up above

And a thing called "Love" (Yeah!)

When I look into your big brown eyes

It's so very plain to see

That it's time you learned about the facts of life

Starting from A to Z

Let me tell ya 'bout the birds and the bees

And the flowers and the trees

And the moon up above

And a thing called "Love"

Let me tell ya 'bout the birds and the bees

And the flowers and the trees

And the birds and the bees

And the flowers and the trees

'Bout the birds

(fade)

And the bees
