All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies dont want it to end  
They looked at me and said, I heard that youre a  
heartbraker

Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker

See, Im that type of guy you wont love  
Im that type of guy you wont cuff  
Im that type of guy you daddy wont let go out, cause he  
thinks I sell drugs  
Im that type of guy that will save ya  
Im that type that will call you later  
Wont be around to give you that time  
Gotta get on the grind and get to that paper  
That I can do  
Gotta keep my baby girl laced in the latest and the  
fliest suits  
Never one for none, lets get cake up, hold it down,  
thats all you gotta do  
Then I walk up in the place, with a pocket full of money,  
my brother like that ought to do  
Stepping out with the finest suits, look at me now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies dont want it to end  
dapslyrics  
They looked at me and said, I heard that youre a  
heartbraker

Baby Im a troublemaker, I heard that youre a

heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker

See Im that type guy that likes kissing  
Im that type that will pop the clip and  
Im that type of guy that put you in your place  
If you bourgy just start tripping  
Im that type that will let you go  
Im that type that will let you know  
That everywhere I go, I can find a pretty hoe  
But there aint too many know how to get that dough  
Thats the type of girl I want around me  
Even though Im a with her, make a man feel free  
Roll with the fellas, even hold my cheese  
Look like something you would see on TV  
She dont mind climbing up that ladder  
Similar to the words, it dont matter  
But this time they wanna see us together  
Look at us now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies dont want it to end  
They looked at me and said, I heard that youre a  
heartbraker

Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker

Youre not for sure  
Even though I wanna take you everywhere I go  
Because of you, all the girls is staring, taking notes  
And I realize between with you girl brings more girls  
And thats just what Im attracted to  
And Id rather go all the way  
Love her long time, till the break of day  
I wont let her leave my bed  
Till she sees the colorful feather like Annie Mae  
Now she wants to start holding on me, like whatever  
shes smoking on  
Ill be long gone before you can say, look at me now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies dont want it to end  
They looked at me and said, I heard that youre a  
heartbraker

Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker, I heard that youre a  
heartbraker  
Baby Im a troublemaker
