[Akon] Countin every blessing while I'm screamin out
UpFront, UpFront, Akon, Akon Konvict Music
{*echoes*} Ohhhh [Chorus: Akon] (Yeahhhhhhhhhh) I
realize it ain't the life for me Always gettin into trouble
cause (I'm so fly) I'm on a whole 'nother level Left the
block and now I'm smilin countin money like
(Yeahhhhhhhhhh) Realize it ain't the life for me Gotta
find another hustle cause (I'm so fly) I'm livin life a lot
better - a lot better Still keep a glock in case the jealous
wanna hate tonight [Akon] Another day up in the hood
can't believe these cats still bangin Look at the years
we wasted on the corner block still slangin No matter
how much we try to make peace gunshots still ringin
Cause to be a hood legend, you die first then become
famous Cause I done seen this type of thang before
Just hangin out up by the corner store Stick-up kids with
them guns galore Layin e'rybody down stretched on
the floor I thought about it man I'm way too fly To have
a fella robbin me outside That's why I keep that thang
by my side And count every blessin while I'm screamin
out [Chorus] [Akon] I hate to say it but the people that's
surroundin me are way too shady The only people I
could trust that's my family and my lady All my dawgs
got guns ready for action, they won't betray me Ain't
the type to run or to hold my tongue when it gets crazy
See I been through this type of thang before Even had
trouble with the law On the couch when they smashed
my door With a warrant found the cash stashed under
the floor I never could understand the cause I was the
one that pulled the shortest straw I couldn't live this
type of life no more So I had a part of me screamin out
[Chorus] [Blewz] I'm in blue with them BF frames
Walkin on lean while my chain hangs Drivin somethin,
pronounced mad strange Yeah I'm mad cool cause I
been through flames Walk with a limp cause I been
through dames Now she's a hoe, cause she been
through gangs Beef with cats for a small chump
change I'm rich now, that's more chump change
(Streets is mine nigga!) The cops know slang Man get
the picture, before you buy the frame Call me
heartthrob, cause I'm so vain/vein Couldn't come close

if you sat in my Range My scars can prove it, I'm
passion and pain Singin [Chorus]
