I am the God of emptiness  
I am the God of pain  
I am the God of agony  
God of the insane

Will you look into my soul  
And tell me what you find?  
Tell me this emptiness  
Is just a state of mind

I am the keeper of fear  
I am the keeper of fate  
I am the keeper of nothing  
The keeper of all hate

Will you hide me away  
And help my wounds to heal?  
Wrap your arms around me  
And teach me how to feel

I don't want your forgiveness  
I don't want your blame  
I don't want forever  
I don't want to be the same

I wish I knew what it was that you were searching for  
this time  
I think I know what it is that you've been missing all this  
time

Tell me I brought it on myself  
All of this decay  
Tell me God will always love me  
And could wash it all away  
Tell me that you know how I feel  
And it makes you love me more  
Tell me that you understand me  
And you've seen it all before

I don't want your forgiveness  
I don't want your blame  
I don't want forever

I don't want to be the same

I wish I knew what it was that you were searching for  
this time

I think I know what it is that you've been missing all this  
time
