How about getting off of these antibiotics

How about stopping eating when I'm filled up

How about them transparent dangling carrots

How about that ever elusive kudo

Thank you India

Thank you terror

Thank you disillusionment

Thank you frailty

Thank you consequence

Thank you thank you silence

How about me not blaming you for everything

How about me enjoying the moment for once

How about how good it feels to finally forgive you

How about grieving it all one at a time

Thank you India

Thank you terror

Thank you disillusionment

Thank you frailty

Thank you consequence

Thank you thank you silence

The moment I let go of it was

The moment I got more than I could handle  
The moment I jumped off of it was  
The moment I touched down  
How about no longer being masochistic  
How about remembering your divinity  
How about unabashedly bawling your eyes out  
How about not equating death with stopping  
Thank you India  
Thank you providence  
Thank you disillusionment  
Thank you nothingness  
Thank you clarity  
Thank you thank you silence  
yeah yeah  
ahh ohhh  
ahhh ho oh  
ahhh ho ohhhhhh  
yeaahhhh yeahh
