All 4 1 - I Can Love You Like That
=====

They read you Cinderella
You hoped it would come true
That one day your prince charming
Would come rescue you
You like romantic movies
And you never will forget
The way it felt when Romeo kissed Juliet
And all this time that you've been waiting
You don't have to wait no more
Chorus:
I can love you like that
I would make you my world
Move heaven and earth if you were my girl
I would give you my heart
Be all that you need
Show you're everything
That's precious to me
If you give me a chance
I can love you like that

Id love you like that
I could love you like that
I never make a promise that
I dont intend to keep
So when I say forever,
Forever what I mean
Well, Im no Casanova but
I swear this much is true
Ill be holding nothing back
When it comes to you
You dream of love thats everlasting
Well, baby open up your eyes

Chorus

If you want tenderness, Ive got tenderness
And I see through to the heart of you
If you want a man, who will understand
You dont have to look very far
I can love you, I can love you, love you

Chorus
