It was a long time ago, such a long time
Sitting on the sands of the beach, hands on my knees
Sitting there, thinking of you
Trying to put us back together.

I will admit, those were some tough times.
I was grateful.. just to be alive!
Cause love is a daring, eternal sacrifice!
Oh, yeah!

And getting up, holding my head up high, oh yeah!

You soar like an eagle, you burn like the fire
You coming down on me like hopeâ€™s desire
I want you, but your soul is too strong for me.
I am free!

You soar like an eagle, you burn like the fire!
You coming down on my like hopeâ€™s desire
I need you, but your love is too dear to me!
I am free!

I wish I could let it all out, I felt like I was trapped in a cage
I was hopeless, I was raged!
But then I looked up, and I didnâ€™t back down!
Because I knew from the start, that we were bound!

Oh, I just cant get over you, girl!
Come back to me, and live in my world!
Oh yeah!

And getting up, holding my head up high!
Oh yeah!

You soar like an eagle, you burn like the fire
You coming down on me like hopeâ€™s desire
I feel you, but your warmth is too hot for me.
I am free!

You soar like an eagle, you burn like the fire!

You coming down on my like hopeâ€™s desire
Itâ€™s over, for thereâ€™s no coming back for me!
I am free!

I just want to be alone! I just need some space!
I canâ€™t live without you girl! Why are we in this
place?
Itâ€™s you and me! Thatâ€™s how it was supposed to
be!
So come into my arms, and we shall sing!..
You soar like an eagle, you burn like the fire
You coming down on me like hopeâ€™s desire
I want you, but your soul is too strong for me.
I am free!

You soar like an eagle, you burn like the fire!
You coming down on my like hopeâ€™s desire
I need you, but your love is too dear to me!
I am free!

You soar like an eagle! You burn like the fire!
You coming down on me like hopeâ€™s desire!
Iâ€™ve found you! For our love was meant to be!

I.. am! free!
I.. am! free!
I.. am! free!
