

A Day Overdue "Scarecrows"

The silence pulled me under; then you walked in like
the thunder.

Standing in line, staring like scarecrows eyes again.
Take me back to the place where I grew up,
Because I don't think I can take it anymore (take it
anymore)

I can't sleep when you're not lying here with me.
Pull me under, upside down; going down, over, over
and out.

Staring at your star, wondering where you are tonight.
Will I see you again? Ever see you again.
Wasted memories burning pages in your diary,
I can't do this on my own; I never meant to let you go.

I can't sleep when you're not lying here with me.
Pull me under, upside down; going down, over, over
and out.

If you want it, come and get it.
