Allure feat. Nas

Head Over Heels (Remix)  
Track Masters, Escobar, Allure  
Keep it raw  
Hey yo, The Bridge, keep rockin'  
We coming through, bottles poppin'  
Allure, when your album droppin'  
The place is packed  
Many faces, there's some I know  
And some know me from buying cases  
Cash stacks, shorties peepin'  
Is she Puerto Rican, or half black  
Puff, puff give, I need to live  
Please pass that so I can zone  
Maybe shoot a jewel  
In baby girl's, dome  
It's a crazy world  
Lemme drive you home, lets go  
By the way, the name's ESCO  
The platinum range make your man  
Know, we wet those  
If he front I got the tech close to you  
Much respect goes  
For going through  
Had to put it on you  
Allure you, you gotta leave  
I'll call you , it's been real

Boy I can't understand it  
See I never really felt  
Like I do when I'm around you baby  
And I just can't explain it  
But I'm feeling so high  
And I just can't deny  
It's on you

Tell me you want my love  
Baby please don't deny  
What you're feeling inside  
Say you've been thinking of

Holding me, touching me, feeling my every need

Head over heels  
It seems so real  
(Seems so real)  
I feel like I'm falling in love  
(Boy I feel like I'm falling)  
I'm lost inside of my desire  
(You're my desire)  
Oh baby can't you see  
I'm falling for ya head over heels  
(Oh baby I'm falling head over heels)

Baby, baby I'm longing  
Just to have you to myself  
I don't want nobody else, no  
Baby my body's calling  
Won't you come get my love  
Because I really need you so much

Tell me you want my love  
Baby please don't deny  
What you're feeling inside  
Say you've been thinking of  
Holding me, touching me, feeling my every need

[NAS]  
So much in common  
I know you like the way I act  
You been around real cats  
All your life, since way back  
You still got it  
Cuz you was turned out once  
Guess you learned  
Ain't no future with them burnt out stunts  
Left the hood to get your own thing  
We're home team  
Pushing through, watch ya chrome gleam  
Yeah aight, you probably heard that my pipe gained  
tight  
Rocking vvs stones  
Powder blue whips with egg headlights  
Center weed gettin' all in your weave  
I put out the trees  
And crack the moon roof only for you to breathe  
You get a extra set of keys  
I tell the world while I'm out on tour  
Keep your hands off my girls Allure  
Uh, yeah, you don't want it, yeah  
Come on

Say you've been thinking of  
I'm falling for you head over heels  
Head over heels  
It seems so real  
I feel like I'm falling in love  
I'm lost inside of my desire  
Oh baby can't you see  
I'm falling for you head over heels

Head over heels  
It seems so real  
I feel like I'm falling in love  
I'm lost inside of my desire  
Oh baby can't you see  
I'm falling for you head over heels
