[Pitbull {Amanda Perez slowed down}]

Amanda, you know I got your back

It's Mr. 305, checkin' in on the remix {I got them candy
kisses on my mind }

Heh heh heh

For all the women out there that wonder

If Pit is

Really a freak or not

Just know this, baby (Ha ha ha)

I got them candy kisses

Ha ha ha

[Rap Verse: Pitbull]

Mama want them

Candy kisses, right?

And that's what I give her, right?

When I kiss her below the liver, she quivers

And I gotta deliver

Like the mailman, I'm talkin'

Carl Malone from John Stock

And I promise

Once I start, then I won't stop

Got her in a

Backseat, all the soft talk

Gettin' hot

Gettin' wet, and she knows what she gettin' next

Ya tu sabes que con migo es

Completamente

Diferente when we havin' sex

Yo te doy el

Caramelo bueno que huepe loca

En la calle

Mujer en la cama, eres [{*puta*}]

And that's what I

Love about ya

We'll be together, it's all about ya

I remember when I hollered at ya

For the first time

Swear to God

Couldn't get you off my mind
Now, baby, let's ride

[Amanda Perez]
(Verse 1)
I never met nobody like you
That'll do all the things
That you do
Every night, when I go to sleep
And my heart skip a beat
By the way you
Kiss me

Hook: Amanda Perez
And oooh
Now I see
This is the way that love supposed to be
Me with you
You with me
I don't ever want you to leave
Cause you give me

Chorus: Amanda Perez (Amanda Perez slowed down)
Candy kissess
All over me
(I got them candy kisses on my mind)
Like a
Kid in a candy store
Always wanna come back for more
Cause he's my
Now and Later on a rainy day
Always here to take my stress
He's my Sugar Daddy
I'm his candy girl
We got the sweetest love in the
Whole, wide, world

(Verse 2)
Oh
Take me away
To another day
Where
I can hear him say
"Girl, I can't be without ya"
No, I can't be without ya
Don't ever want to think about you
Lovin' no one else but me

Repeat Hook

Repeat Chorus

[Amanda Perez (Amanda Perez slowed down)]
Daydreaming all the time
Candy kisses on my mind
(Candy kisses, candy kisses
On my mind, on my mind)
Daydreaming all the time
Candy kisses on my mind

Repeat Hook

Repeat Chorus Til Fade
