I beg your pardon I never promised you a rose garden

Along with the sunshine there's gotta be a little rain  
sometime

When you take you gotta give so live and let live and let  
go oh oh oh oh

I beg your pardon I never promised you a rose garden

I could promise you things like big diamond rings

But you don't find roses growin' on stalks of clover

So you better think it over

Well, if sweet talking you could make it come true

I would give you the world right now on a silver platter

But what would it matter

So smile for a while and let's be jolly love shouldn't be  
so melancholy

Come along and share the good times while we can

I beg your pardon I never promised you a rose garden

Along with the sunshine there's gotta be a little rain  
sometime

I beg your pardon I never promised you a rose garden

I could sing you a tune and promise you the moon

But if that's what it takes to hold you I'd just as soon let  
you go

But there's one thing I want you to know

You'd better look before you leap still waters run deep

And there won't always be someone there to pull you  
out

And you know what I'm talking about

So smile for a while and let's be jolly love shouldn't be  
so melancholy

Come along and share the good times while we can

I beg your pardon I never promised you a rose garden

Along with the sunshine there's gotta be a little rain  
sometime
