"Swell"

Only Virginia so very kind
All of her anyway that you desire
Only Virginia, so crusified
and all of her dieing keeps her alive

And swell, made up for everyone else
Happy and horribly well
girl with her soul on a shelf

Only Virginia knows how to bleed
And all of her giving never comes free
Only Virginia so desperately
wanting the whole world watching her misery

Swell made up for everyone else
Happy and horribly well

Hello Miss. Understood
So go the lonely
Tracing your ashes to wood
So go the lonely, you are the only

Swell made up for everyone else
Happy and horribly well
Girl with her soul on a shelf

Yeah, lookin' swell
Made up for everyone else
Happy and horribly well

Girl, girl
