Come from Ohio
Married the first girl... again
Somewhere in Reno
In his El Camino... He never did see her again

No world can look
like it did before
But this one comes pretty close
to the swinging door

****CHORUS****

One times a shame
Two times and you're to blame
and you lose your precious crown
Third Time Around

This ain't no freeway
You pay for it someday... I guess
Came form Ohio
Another day, another stay
On your map of regret

No world can look
like it did before
But this one comes pretty close
to the swinging door

****CHORUS** (again)**

And you get no sleep
And you are overdue
And the faithful creep when they're leaving you
And you wonder why, why

****CHORUS** (1X)**

One times a shame
Two times and it looks like rain
and they say your luck is found
Third Time Around (6X)
