Looking out on the morning rain
I used to feel so uninspired
And when I knew I had to face another day
Lord it made me feel so tired

Before the day I met you
Life was so unkind
You're the key to my peace of mind (chorus)
'Cause you make me feel
you make me feel
you make me feel like a natural woman

When my show was in the lost and found
You came along to claim it
I didn't know just what was wrong with me
Till your kiss helped me name it
Now I'm no longer doubtful
Just what I'm living for
And if I make you happy
I dont need to do more

Repeat chorus

Oh baby what you've done to me
You make me feel so good inside
And I just wanna' be close to you
You make me feel so alive

Repeat chorus 2x
