Whenever I'm down

I call on you my friend

A helping hand you lend

In my time of need

Whenever I'm down

I call on you my friend

Listen

Whenever I'm down

I call on you my friend

A helping hand you lend

In my time of need

Whenever I'm down

I call on you my friend

Whenever I'm down

And all that's going on

It's really going on, just one of those days and ya

You say the right things, to keep me going on

To keep me going strong

Whenever I'm down

Ain't nobody

Ain't nobody

Whenever I'm down

I call on you my friend

A helping hand you lend

In my time of need

Whenever I'm down

I call on you my friend

Whenever I'm down

And all that's going on

It's really going on, just one of those days and ya

You say the right things, to keep me going on

To keep me going strong

Whenever I'm down

I call on you my friend

A helping hand you lend

In my time of need

Whenever I'm down

I call on you my friend

Whenever I'm down

I call on you

Whenever I'm down

I call

Listen

Ain't nobody

Ain't nobody
